

## HARMONY®

I am a **peacemaker** with a keen ability to diffuse conflict by finding common ground and encouraging unity and compromise.

### Academic Life

- Choose classes that aim for inclusivity and not controversy.
- Join a club that allows you to meet people from different backgrounds.
- Be sure to balance your life with your learning to maintain your even keel.

### Career Goals

- Look for warm work environments that allow for inclusivity and conscientiousness.
- Seek a career that allows collaboration and teamwork.
- Positions of leadership will allow you to diffuse conflicts and preserve peace.

### Decision Making

- Gather many opinions and viewpoints in order to consider your options.
- Apply structure when faced with chaos.
- Rely on your composure and take your time when making decisions.

### Leadership Tips

- Focus on your ability to resolve contention.
- Help others to see a different perspective in order to calm them.
- Take the lead on a team that seeks consensus.

### Relationship Building

- Surround yourself with people who are considerate of others and their opinions.
- Be the mediator for friends who have disagreements.
- Learn from those who can teach you to stand up for yourself when afraid of conflict.

### Extracurriculars

- Join cultural groups in order to understand their differences and similarities.
- Volunteer to do activities with youth or the elderly.
- Moderate a debate team.
