

FUTURISTIC[®]

I have a **visionary outlook**, with a spotlight on possibilities and dreams, and an ability to paint a vivid picture of what the future might hold.

Academic Life

- Join student government in order to influence the decisions of tomorrow.
- Strategize a plan for your semester using your class syllabi and the help of an academic counselor.
- Associate with clubs that have an eye on influencing futuristic endeavors.

Decision Making

- Make a dream board and keep it current.
- Write down your goals and take steps towards them every day.
- Tackle decisions one step at a time, so as to avoid becoming overwhelmed.

Relationship Building

- Talk about your dreams for the future with the people in your life.
- Surround yourself with encouraging people who will motivate and support you.
- Mentor younger people and help them to visualize their futures.

Extracurriculars

- Hobbies such as painting and writing will satisfy your need to create.
- Volunteer to hang out with children - they are the future!
- Join a committee that will allow you to take part in decision-making and positive change.

Career Goals

- Seek a work environment that allows the freedom to dream and brainstorm.
- Explore careers that reward your visionary talents - designers, architects, city planners.
- Settings wherein you can work with children or technology will inspire your anticipation for the future.

Leadership Tips

- Take on a position that allows you to help others to plan their futures (perhaps a career counselor).
- Work with youth to support their dreams and goals.
- Look for ways to assist with classroom planning.
